Extract from the Proceedings of the Council is put up.

Forwarded, with compliments, to the Financial Secretary to Government, under paragraph 9 * of the Government Order No. G. 17572-8—G. M. 676-17-1, dated 22nd June 1918.

By Order,

*9. (*a*) If the views expressed by the Financial Secretary in any case, whether original or un-officially referred, are not accepted by the Member of Government in charge, or by the Dewan and Members of Council, as the case may be, the file containing the discussions shall be sent to the Financial Secretary a second time, in order to enable him, in cases in which he considers that the orders proposed to be issued are opposed to financial rules of Government or to recognised financial principles or for other reasons of a financial nature, are open to objection, to record a respectful representation to that effect, which will be placed by the Dewan before His Highness the Maharaja for consideration.

(*b*) All cases sent to the Financial Secretary under this rule should be treated as immediate and returned to the Department concerned within three days of receipt.

Submitted to His Highness.

...

Mr. A.A.Khan, Traffic Manager, Mysore Railways, now acting as Agent and Secretary for Railways, has made a representation about his emoluments. He was appointed on a salary of Rs.1000-100-1200 for a period of two years from June 1922. On a representation from him asking for a conveyance allowance of Rs.100 per month and a free house or a duty allowance of Rs. 200 a month, he was subsequently permitted to draw the maximum of his grade, viz., 1,200. In addition, he now receives an allowance of Rs. 200 for acting as Agent and Secretary during the absence of Mr. Dove Wilson. He represents that the additional duties of the acting appointment (especially the duties of the Agent) are very heavy and that the acting allowance given for these additional duties is quite inadequate, and asks that his acting allowance may be raised from Rs. 200 to Rs. 400.

2. In view of the fact that we have no sufficiently senior man in the Department who could replace him when his term expires in June next, I think it very desirable to keep him on here for a further term. I had a discussion with Mr. Khan on the subject and my recommendations are contained in my minute of the 13th July circulated to the Members.

3. A further representation from Mr. Khan, contained in his demi-official letter of the 14th instant was also circulated, and the whole case was considered in Council on the 22nd instant. The Council also sent for Mr. Khan and had an opportunity of discussing the case in person with him. What he wants is, for his duties as Traffic Manager, an increment of Rs. 100 with effect from one year after he joined the Mysore Service and annual increments of Rs. 100 thereafter, together with the increased acting allowance asked for for doing the duties of the Agent and Secretary. This, however, would have the effect

of

of giving him a salary in Mysore for the combined office of Secretary and Agent, and Traffic Manager which would be in excess of his British Indian salary by Rs. 850 till October next and Rs. 750 after that. This is very high as compared with the Rs. 500 over and above British Indian salary given to Mr. Dani when he was Secretary, Agent and Engineer-in-Chief, and this is likely to be objected to by the Government of India.

4. Mr. Khan has certain personal difficulties and disadvantages by his staying in Mysore, and he believes that he has a chance of being selected for higher appointments under the Railway Board in the near future. His work in Mysore has been quite satisfactory, and it is desirable to make it worth his while to remain here. At the same time, the excess over the British pay that he asks for is too much. In any case, his scale of salary for the future, in case he agrees to stay for an extended term, has to be fixed with reference also to the probability or otherwise of his getting a chance of holding the office of Secretary and Agent, and this can only be ascertained after Mr. Dove Wilson's return in October next.

5. Taking all these aspects of the question into consideration, the Council have resolved as follows:-

"During the period that Mr. Khan acts as Agent and Secretary, his allowance may be fixed at Rs. 300 instead of Rs. 200 as now sanctioned. The question of extending the term of his engagement may be considered after Mr. Dove Wilson returns."

6. The resolution of the Council may be graciously approved.

Bangalore,
29th August 1923.

Diary No 274

Camp-Bangalore,

14th August 1923.

Dear Mr.Banerji,

You were pleased to extend to me an invitation to serve in the State for some more years by -- terminating the present contract from 6th June 1923 and entering into a fresh agreement from that date and I cheerfully obeyed your orders.

15 AUG 1923

At my suggestion, you kindly agreed to give me an allowance of Rs.100 per month for acting as Agent and Rs.100 per month as Secretary. I have now given this matter my most careful attention and beg to represent the following few lines which I hope would receive your generous and sympathetic consideration. Out of these two allowances, the following deductions are -- made:-

Rs.100 allowance for acting as Agent.		Rs.100 for acting as Secretary.	
House rent. ...	Rs.10.	House rent. ...	Rs.10
Provident Fund...	" 10.	Provident Fund...	" 10
Income tax. ..	" 5.	Income tax. ...	" 5
Conveyance allowance for going to Loco Workshops situated at about 4 miles.	" 25.	Conveyance allowance and other expenses for attending weekly Public -- Offices at -- Bangalore to interview the Dewan. ..	" 50
Total. ..	Rs.50.	Total...	Rs.75
Balance. ...	Rs.50.	Balance. ..	Rs.25

The Agent has a heavy responsibility to perform and I can assure you, Sir, that he will have an up-hill work to do specially with new Heads of Departments in charge of Loco, Audit and Stores in keeping

sanction and it is said that the pay of this job would be good and I am sure would be somewhere between Rs.1200 to 1500. I have already given you my promise to stay in Mysore and I would not think of withdrawing that promise even if the pay of Simla job would be the same as given here, though I could live there with my brother who is at present in the Government of India service and where we could live both together cheaply and comfortably and also be nearer home.

I beg that you would be pleased to reconsider the question of allowance for working as Agent and Secretary and allow me Rs.200 as Agency allowance and Rs.200 for Secretariat work, as this will also be one-fifth of Mr.Dove Wilson's pay which an officer acting for him is entitled to according to -- Mysore or Civil Service Rules. In return for this generosity, I would give an undertaking that if at any time during my service here, my work is considered unsatisfactory, I shall be very glad to go back to British Service even before the expiry of my term.

I hope, with more contented mind, I shall Inshallah (God willing) try to justify your sympathetic treatment and kindness that you have invariably shown me and I hope and pray that the day will not come, when you and the Mysore Durbar will have to regret your decision in extending my period of stay on generous terms.

With respects,

Yours sincerely,

Rahman.

My dear Khan,

It was a pleasure to get your letter and to read your sentiments towards myself. I reciprocate them in full measure. I am delighted to hear the news you give me about your prospects with the Darbar. As regards the Railway Board job, if you are offered it the pay will I think be good. Slowell is to be the Director on 3,000 so others will be given proportionately. You should not refuse the offer. It would be a selection and you would have a good climate & be in the limelight. If you made a success of it

there would be no limit to your future. Stowell has it many years to come and you might soon find yourself Director. It is a much bigger thing than the Mysore billet & nearer your home. I am sorry to hear you have had fever & hope you are well now. Your letter reached me when I was ill in bed with fever. I have had three goes of it this year but am taking 10 grains of quinine a day now

Best wishes & kindest regards my friend from

Yours very sincerely Wm Lovell
